CORNELL PICKED TO WIN FIRST HONORS IN COLLEGIATE TRACK AND FIELD MEET

Coach Jack Moakley's Well-Balanced Squad Should Score More Than Forty Points, With Princeton Second and Pittsburgh third; Penn in Tie for Seventh Place

By PAUL PREP

WHILE many of the track and field critics of the country have declared that prophesying a winner of the fortysecond meeting of the I. C. A. A. A. A. which will be staged this Friday and Saturday afternoons at Franklin Field, would be foolhardy, owing to the absence of so many of the stars who are in the service, thus leaving the honor of representing 'the institutions on the shoulders of inexperienced and unknown athletes, I have selected hat I consider the most probable point winners in the coming titular games.

It is true that the present interna-tional struggle greatly has depleted the student body of all the colleges and universities entered in this meet, thus making it impossible for any of the entrants to put forth a truly representa-tive team But, on the other hand, the presence of war conditions has brought the larger institutions which have had a

sixth, with 12; Penn, Laffayette and M. I. T. to tie for seventh honors with 9 credits each, while the other counters will be divided in the following manner: Yale, 6; New York University, 5; Pear to be in reach of the ambitious Columbia, 4; Harvard, 3; Ruigers, 3 athletes are the two-mile and pole vault. Amherst, 2. and Swarthmore, 2.

To Overlook Late Entries

In selecting the probable winners I took into consideration that Pittsburgh, Brown, Rutgers and Harvard would be permitted to compete. I have been told from an authoritive source that the members of the association would overlook the late arrival of the abovenanced institutions, entries when the orsamed institutions, entries when the oranization holds a special meeting Fri-

The above standing may be changed by the appearance of several of the sure training camps. It is rumored that Sin-claire, the best shot-putter in collegiate Cornell; Price, of Penn, and Captain the hammer throw and shot.

If the two Tiger stars are on hand then Princeton will score five more points. This, however, won't affect the final standing of the teams.

Johnson May Cause Upsets

Carl Johnson, of Michigan, also may cause a change in the scoring. Coach Farrel has entered his star in five or six ents, but it is safe to state that Johnevents, but it is safe to state that Johnson won't compete in more than three events. Which events he will start in, however, is the mystery. He has done the hundred in 94-5 seconds, the high hurdles in 152-5 seconds, the low obstacles in 251-5 seconds, has cleared repeatedly 22 feet 4 inches in the broad jump and 5 feet 3 in the high jump. I jump and o seet s in the high jump. I believe that Farrell will start him in the two hurdles and broad jump, as the two dash events would wear him down and handleap his work in the broad jump.

Cornell is given but three first places, two of which go to Ivan Dresser, the distance runner extraordinary, who is out to accomplish an hitherto impos-sible feat of winning the mile and two sible feat of winning the mile and two mile runs. Moakley may come through with another of his annual unexpected joits to the knowing ones and not start Dresser in these two events. This re-mains to be seen. The majority of the Ithacan points will come from the abli-tity of the well-balanced squad to land second, thirds and fourths.

Gansenmueller Best in Sprint

Bill Gansenmueller, of Penn State, who finished second to Schols, of Missouri, in the century at Penn relays, should break the tape in both sprints, with Brown, of Princeton, runner up in the hundred. Beasert, of M. I. T., Bechtel, of Lafayette, and Davis, of Penn, are the other point winners in the shorter dash. Many favor Frank Shea, of Pittsburgh, to defeat Casch Martin's pupil in the furious, while several including

Returning to the "dope sheets" I have selected Cornell to win the championship banner once more with a total of the points, Princeton, second with 28; pittsburgh, third, with 22; Michigan, ourth, with 19; Pennsylvania State to land fifth honors with 18; Dartmouth sixth, with 12; Penn, Laffayette and state. the five credits. Shackleton, of Cornell, has done close
to 22 feet, and should cop second place, with Way, of State, third. Prentiss of Dartmouth, and Myers, of Cornell, are the favorites for fourth and fifth. A new record may be established in the pole vault. Myers has been vaulting off and on and should he strike his lucky day, then watch out. Sweeney, of Yale, is the only other entrant who has ord in the mile or perhaps he won't. VARIED SPORTS PROGRAMS ARRANGED TO CELEBRATE MEMORIAL DAY HERE

Baseball, Golf, Tennis, Track and Field Events-Giants Play Phillies Twice

BY SPICK HALL

DHILADELPHIA will give herself over to sports tomorrow. In spite of the war Memorial Day this season will fall short only in a few minor details from the extensive programs of former years. Everywhere athletic events have been planned, many in connection with memorial exercises. Included in the events will be baseball, soccer, tennis golf, track and field events, swimming military exercises and contests, motor and bicycle races, trapshooting.

The Memorial Day sports events will be as universally indulged in as usual. Men, boys, women and girls will have a chance to show their provess in an ath-letic way in many sections of the city and vicinity. The biggest event which is not scheduled for tomorrow is the re-gatta on the Schuylkill, which has hitherto been a feature.

Baseball fans have a treat in store, if the scores turn ot all right, as the guests of the Phillies are the New York Glants. The first game will be called at 10:15 tomorrow morning and the second at 3 o'clock in the afternoon. While the at a octook in the afternoon. While the Phillies are playing here there will be morning and afternoon games throughout the major leagues. The Athletics will be in New York, having a couple of sessions with the Yankees.

New Stunt in Golf

There will be an innovation in the Memorial Day golf. It will be a patriotic day for the wielders of drivers and putters, and the Golf Association of Philadelphia has sent every club a War-Chest medal to be competed for. Each club will determine just how the medal shall be won. Every golfer who plays on Memorial Day is expected to contribute at least \$1\$ to the War-Chest fund. The money will be collected at each club and sent to the treasurer of the Golf Association, who will turn it over to the War Chest as a contribution from the golfers of the city.
